

Rady Children's Hospital-San Diego

Student Scavenger Hunt

(Complete and return to clinical instructor.)

Student Name: _____ Date: _____

School: _____ Assigned Unit: _____

This scavenger hunt should be completed by students who will be spending their clinical time in patient care areas. It's divided into **Need to Know** & **Nice to Know** sections. The Need to Know section must be complete prior to the initiation of clinical time. The Nice to Know section is a helpful way to orient yourself to the supplies and items you will need to provide patient care. Have fun! (Simple abbreviated codes are listed below to assist you completing the form.)

NEED to Know! - This section **MUST** be completed.
